

How to reference laws, press releases, codes of ethics, grants, policy briefs, etc.

Grey literature refers to information that is not published or distributed in the same way as most books, articles, and reports. Governmental reports, grants, laws, and statutes are included in this category.

- If the agency or organization published the report themselves, provide the title of the report first and reference them as the publisher.

- If the publisher is a state or federal government, the designation goes first, followed by the title of the report and then the publisher.
- If the organization publishes nationally or provincially or departmentally, list the higher governmental level, followed by the lower governmental level.

- Press releases, codes of ethics, etc.

thtrdl hasd goe?

- List the principal investigator as the author.
- List the funding agency as the publication source.
- Some agencies call grant numbers 'project numbers'; use the appropriate terminology.
- Write the project start and end year(s) as the date.
